

UNITED STATES DRESSAGE FEDERATION™

Request for Annual Change of Region for Great American/USDF Regional Dressage Championships

USDF will presume qualified horse/rider combinations will compete in the region in which the **rider** resides as determined by the address associated with the rider's membership information on file as of July 1. Riders are NOT required to be a resident of the region to compete in that region's championship. Riders, who wish to compete at a Regional Championship in a region other than their region of residence, must submit a Change of Region Form and \$25 processing fee if received by July 1.

In addition, all persons living outside of the United States, who intend to compete in a Regional Championship, must submit this form and applicable fee to USDF to declare a region.

Change of Region Forms will be accepted and processed after the July 1 deadline only if accompanied by the applicable late fees. Change of Region forms submitted between July 2 and August 1 must include a late fee of \$100. Change of Region forms submitted from August 2 to the closing date of the championship region the rider is declaring for, must include a late fee of \$300.

No changes to region may be made after the closing date of the region in which a rider wishes to enter, for any reason.
